Prerequisites

One year of theological education in an accredited seminary or equivalent experience in a ministry setting, a completed application,* and an admission interview with a qualified interviewer.

*Your application is very personal and confidential. Only the coordinator of CPE and/or supervisory staff assigned will read your application.

Fees

Pine Rest offers Clinical Pastoral Education in collaboration with denominations, churches, hospitals, and seminaries. Students who are not able to pay the full cost of the education are encouraged to seek financial assistance from others, i.e. congregation, employer, denomination, seminary and others, to put together a financial assistance package. For those that need further assistance, scholarships are available from Pine Rest.

An application fee of \$50.00 is submitted with the application. Pine Rest can provide assistance and guidance with financial support options. Each student will have their own unique sources of support. Once accepted into the program, an application for a Pine Rest scholarship may be requested. The total cost of each unit of CPE is \$3,400.00. Students' actual fees are determined based on their financial package.
